# THE Dining HALL

Post

\* Before we had a dining hall it was very hard for us, some children they will push them out of the line. Not every body didn't get a meal, when we had that some people will build a hall at our school. We were excited that when we our in line

\* no one will push us out and we knew that the hall will help us so that everyone will get a meal. And when we have functions we know that will do it in the dining hall.

= Presently

\* Now that we have a dining hall everyone is now getting a meal. It doesn't mean that if your rich you can't eat in the dining hall, rich / poor you can eat. and in that meal we have vegies. After a meal you get a fruit so that we can have energy. The money that we get we can save it so that we can by \* Stationary for high school
