## OUR NEW BUS

A big thank you to

**THE DONORS OF THE BUS**

**Thandanani Projects – kinder unserer welt (Germany) – BMI Research - 4PL Group**

### DONORS

Thank you to the donors that made it possible for us to purchase the bus. After three long years our dream has come true.

**kuw (kinderunsererwelt** – “children of our world”) is a German NGO that supports 5 projects in South Africa and Ethiopia. The projects focus is on education and health because these are the foundation for an independent and secure life, based on helping people to help themselves.

**Thandanani Projects** is an initiative of Biblical Missions Worldwide (BMW). Thandanani is a non-profit organisation operating in the Johannesburg-Pretoria area of South Africa, that facilitates African church-based care for the orphans and vulnerable children.

**BMI Research** is a market research company with more than 30 years experience ranging from consumer to industrial research, both quantitative and qualitative.

The **4PL GROUP** is a dynamic supply chain business established to offer the Southern African and International market a comprehensive supply chain solution.

Thank you **4PL Fleet** for sponsoring the insurance.

### HISTORY

In January 2009 we transported the children with our cars. 25 pre-schoolers attended at Ubuhle.

A few months later we were able to buy an old Kombi on an auction.

We have replaced the engine three times in three years. In 2010 we transported 45 pre-schoolers to the centre every day.

Our new bus transports 100 children to the centre daily.

We call our bus “Zabeswa Tranport” which means, “Transport of the People”. When it is not driving for the Ubuhle it is rented out to other schools, churches and the community for weddings and funerals.

The bus took our pre-school children on a supermarket trip and our school children to the zoo.

*Pre-school trip to the supermarket- 6 June 2012*

*School Zoo Trip - 15 June 2012*

Ubuhle want to thank Joseph Ntuli whom has been safely transporting our children for the past 3 years.

He is never late...

never absent...

never drives fast...

and he loves the children.

*Joseph, may God bless you for your faithful service.*

We asked our CEO (Thoko) to give Joseph a hug on behalf of Ubuhle – since he is her husband after all.
